

### General Data Protection Regulations May 2018:

Reviewed: 12 October 2020

Next Review October 2022

We are committed to collecting categories of personal data and using such data fairly and in accordance with the requirements of The Scout Association complying with General Data Protection Regulations (GDPR).

#### 1. Who are we?

Derby East District Scouts is a youth charity. Our mission is to actively engage and support young people in their personal development, empowering them to make a positive contribution to society. We are incorporated by royal charter and are regulated as a member of UK Scouts, (see [www.scouts.org.uk](http://www.scouts.org.uk) for more information.)

As part of The Scout Association we are not required to be individually registered with the UK Charity Commission.

Our contact address is: 1 Treveris Close Spondon Derby DE21 7NX

#### 2. District AGM:

Every year in June or July we hold an annual general meeting where members of the District Executive Committee (our trustees), are elected.

Every member of Derby East District Scout Council is entitled to attend the AGM

Our District Executive Committee is the data controller for the information we collect from you. Any personal data that we collect will only be in relation to the work we do with our members and through our relationship with supporters, donors and funders.

#### 3. Your personal data – what is it?

Personal data relates to a living individual who can be identified from that data. Identification can be by the information alone or in conjunction with any other information in our Scout District's (the data controller's), possession or likely to come into such possession. The processing of personal data is governed by the General Data Protection Regulation (GDPR) May 2018.

#### 4. How we gather personal information

The majority of the personal information we hold is provided to us directly by yourself for yourself or as parents / legal guardians of a youth member in either paper form or via our online membership systems.

In the case of an adult member data may also be provided by third party reference agencies, such as the Disclosure and Barring Service (DBS).

Where a member is under the age of 18, this information will only be obtained from a parent or guardian and cannot be provided by the young person.

#### 5. How do we process your personal data?

We comply with our obligations under the "GDPR" by:

- i. Keeping personal data up to date;
- ii. By storing and destroying it securely;
- iii. By not collecting or retaining excessive amounts of data;
- iv. By protecting personal data from loss, misuse, unauthorised access and disclosure and by ensuring that appropriate technical measures are in place to protect personal data.

We process the data to have the ability to contact the member and or parents and guardians, to inform them of meetings or events that the group itself may be running or attending.

We use personal data for the following purposes:

- i. We collect personal and medical information for the protection of that person whilst in the care of our Scout Groups
- ii. We collect religious data to respect a person's beliefs with regards to activities, food and holidays
- iii. To enable us to provide a voluntary service for the benefit of the public in a particular geographical area as specified in our constitution
- iv. To administer membership records
- v. To fundraise and promote the interests of the Scout District
- vi. To manage our volunteers
- vii. To maintain our own accounts and records and including the processing of gift aid applications
- viii. To inform you of news, events, activities and services running in Derby East District

**6. What is the legal basis for processing your children's personal data?**

- We only use your personal information where that is permitted by the laws that protect your privacy rights. We only use personal information where:
- We need to use the information to comply with our legal obligations
- It is fair to use the personal information in your interests, where there is no disadvantage to you. This can include where it is in our interests to contact you about products or services within scouting.
- The processing is necessary for the persons' legitimate interests or the legitimate interests of our Scout District unless there is a good reason to protect the individual's personal data which overrides those legitimate interests.

**7. How we store personal data**

Personal data is stored only by the District ex officio trustees

We are committed to the protection of your personal information.

We generally store personal information in one of two secure digital online database systems, where access to that data is restricted and controlled.

- Compass is the online membership system of The Scout Association. This system is used for the collection and storage of Adult personal data.

**8. Printed records and Event data**

Paper can still be used to capture and retain some data; an example would be Gift Aid collection forms, which will be securely held by the District nominated co-ordinator to aid in the collection of Gift Aid, we have a legal obligation to retain this information for 7 years after our last claim.

## 9. Events

Derby East District hopes young people will take up the opportunity to attend events and camps and where it is necessary to fulfil our legal obligations we will be required to potentially have a less secure means to access personal information, such as printouts of personal contacts and medical information, including specific event contact forms, rather than relying on secure digital systems, as often the events are held where internet and digital access will not be available. We will minimise the use of paper to only what is required for the event/camp.

## 10. We will ensure:

- Transfer of paper is secure, such as physical hand to hand transfer or registered post.
- Paper forms are securely destroyed after use.
  - Secure destruction will be through a shredding machine or securely burned.
- Always keeping the paper records secure, especially when in transit, by using:
  - A lockable brief case.
  - A lockable filing cabinet if long term stored.
- If transferred to somebody, we will audit that they return them when the event is complete.

## 11. Awards

Sometimes we may nominate a member for a national award, such as Chief Scouts Gold award, Queens Scout or Duke of Edinburgh awards and such nominations would require we provide contact details to the awarding organisation.

## 12. Sharing and transferring personal information

We will only normally share personal information with our District leaders and Trustees

We will however share your personal information with others outside our District where we need to meet or enforce a legal obligation, this may include The Scout Association and its insurance subsidiary “Unity”; local authority services and law enforcement. We will only share your personal information to the extent needed for those purposes.

If you move from Derby East District to another District we will transfer your personal information to them.

We will never sell your personal information to any third party for the purposes of marketing.

Your personal data will be treated as strictly confidential. We will only share your data with third parties outside of the organisation where there is a legitimate reason to do so. We will take steps to anonymise the data we provide e.g. collective reporting on gender, ethnicity, age, etc.). **If identifiable data is to be shared we will seek your consent.**

## 13. Third Party Data Processors

Derby East District uses the services of the following third-party data processors: -

- The Scout Association via its adult membership system “Compass” which is used to record the personal information of leaders, trustees and helpers who have undergone a Disclosure and Barring Service (DBS) check.

## 14. Automated decision making

Derby East District does not have any automated decision-making systems.

## 15. Transfers outside the UK

Derby East District will not transfer your personal information outside of the UK, with the exception where an Event is taking place outside of the UK and it is necessary to provide personal information to comply with our legal obligations, although generally such an event will have its own data collection form which will be securely held and disposed of after the event.

## 16. How do we protect personal data?

We take appropriate measures to ensure that the information disclosed to us is kept secure, accurate and up to date and kept only for as long as necessary for the purpose for which it is used.

## 17. How long do we keep your personal data?

- We will retain your personal information, throughout the time you/your child(ren) are a member of Derby East District
- We will retain your full personal information for a period of one year after you have left Derby East District and in a much more limited form (just name, badge and attendance records) for a period of upto 15 years or until the age 21 to fulfil our legal obligations for insurance and legal claims.
- We will also keep any Gift Aid Claim information for the statutory 7 years as required by HMRC (which may be beyond age 21)

## 18. Your rights and your personal data

You have the right to object to how we process your personal information. You also have the right to access, correct, sometimes delete and restrict the personal information we use. In addition, you have a right to complain to us and to the data protection regulator.

Unless subject to an exemption under the GDPR, you have the following rights with respect to your personal data: -

- ✓ The right to be informed – you have a right to know how your data will be used by our Scout Group.
- ✓ The right to access your personal data – you can ask us to share with you the data they have about you!
- ✓ The right to rectification – this just means you can update your data if it's inaccurate or if something is missing. You can view and edit your personal information directly on our online membership systems Online Scout Manager and Compass.
- ✓ The right to erasure – this means that you have the right to request that we delete any personal data they have about you. There are some exceptions, for example, some information can be held for legal reasons.
- ✓ The right to restrict processing – if you think there's something wrong with the data being held about you, or you aren't sure if we are complying to rules, you can restrict any further use of your data until the problem is resolved.
- ✓ The right to data portability – this means that if you ask us we will have to share your data with you in a way that can be read digitally – such as a pdf. This makes it easier to share information with others.
- ✓ The right to object – you can object to the ways your data is being used. This should make it easier to avoid unwanted marketing communications and spam from third parties.

- ✓ Rights in relation to automated decision making and profiling – this protects you in cases where decision are being made about you based entirely on automated processes rather than a human input.

Please contact Data Protection Lead for more information, in the first instance.

Whether or not you exercise your new rights is up to you – the main thing to remember is that they're there if you need them.

## **19. Further processing**

If we wish to use your personal data for a new purpose, not covered by this Data Protection Notice, then we will provide you with a new notice explaining this new use prior to commencing the processing and setting out the relevant purposes and processing conditions. Where and whenever necessary, we will seek your prior consent to the new processing.

## **20. Contact Details**
